

Shree Warana Vibhag Shikshan Mandal Warananaagar's

TATYASAHEB KORE MILITARY ACADEMY, VINAYNAGAR

School Annual Report 2024-25

I take immense pride in presenting the annual report for the academic year 2024-25

I would like to begin by remembering our founder , Late Shree Tatyasaheb Kore . His vision and values continue to inspire us every day. Our School's motto "Vidya Balamcha Upasav" honors his legacy and guides us in preparing students for a bright future. With the strong support of our Management and dedication of our qualified and passionate teachers, our school is steadily progressing in all areas.

Academics

This year , academically our students have yet made us proud with their outstanding achievements - I am delighted to announce that we maintain our tradition of 100% result in class X and Class XII.

We also celebrated the achievements of our first batch of Grade 12 students, who have secured admissions in some of the prestigious institutions including top Engineering colleges.

Parents Orientation Program

At Tatyasaheb Kore Military Academy we believe that the key to the child's overall development lies in the partnership between the school and the parents. In this regard We ensure that parents are actively involved in the academic journey and the co-curricular activities of their children. To foster their collaboration we organize a comprehensive Parents Orientation Program at the beginning of each academic year.

Career Counseling :

Education, for us is about more than just grades; it's about preparing our students for life. This year we introduce a career counseling program for students from grades 9 to 12, inviting professionals from diversified fields to campus. Through this program students had a unique opportunity to explore career paths and job opportunities.

Co-curriculars :

Co-curricular activities are equally important in shaping well rounded individuals. This year we organize a lot of art-integrated activities that let students explore the diverse traditions, languages and customs of India, making them appreciate our country's rich heritage.

We also observed major Festival and National events on campus, celebrating each one in a unique way. For instance celebration of Birth/Death anniversaries, Prize distribution

Sports :

Along with academics and co-curricular , physical health is also important for overall development of cadet. Here at TKMA we believe in nurturing both mind and body. We held our annual sports meet during the Winter season. Cadets participate in track and team events with energy and enthusiasm showing true sportsmanship. Our Cadets also represented the academy at State and National Level in Sports like Basketball, Athletics, Football. These events help build skills and qualities like teamwork, resilience and confidence.

School Competitions :

Beyond Academics , Our Students have excelled in various school competitions like Hand writing, Essay, Elocution, Art, Drawing, debates, Best Student of the Year or science related events, they have shown brilliance in every area.

Other Initiatives :

In addition to academics and sports , we have taken some new initiatives to enhance the student development.

Clean Classroom Initiative :

The clean classroom Initiative to encourage students to take responsibility for keeping their surroundings clean. Through this , students learn the importance of a clean environment and are motivated to maintain it. This Initiative has helped students develop good habits and was recently praised by the parents.

:

Star of the Year Initiative :

We believe that students for their behavior and leadership is just as important as academics. To encourage this we introduced the Best Cadet of the year, which honors cadets for their positive behavior, leadership, and responsibilities. By awarding these badges , we aim to shape cadets who lead by example and inspire others to follow in their footsteps.

Awareness programs :

At TKMA we focus on raising awareness about important social issues. This year we oriented preventive measures of Fire safety. Our cadets actively participated in Tree Plantation, Raksha Bandhan , Environment cleaning program, Tobacco free campus, Plastic free zone, promoting ecofriendly practices and environmental conservation.

Conclusions :

Each of these achievements and Initiatives is a step forward in our mission to nurture our cadets in the right way. Our Journey this year has been full of growth , success and dedication.

I would like to conclude by extending our sincere thanks to all our parents and each and every one of our well wishers who have supported us through the years, in every step of Journey.

Principal
